

**Nicole Stacey**  
**BSc (Hons) MSc MRTPI**

Associate Director

Having joined us from Carter Jonas, Nicole brings a range of experience on projects for both the private and public sectors, including developers, investors, landowners and institutions. Her experience includes the preparation of planning appraisals, planning applications and appeals including supporting statements; promotion of land through the planning process; project coordination; liaison and negotiation.

### **Previous Projects**

**Exeter, Matford** – Planning applications to support delivery of initial phase of south of Exeter urban extension.

**Marcham, Oxfordshire** – Planning permission obtained at committee for residential development of 43 dwellings in edge of village location.

**Aldermaston Wharf, Berkshire** - Planning permission obtained for 11 dwellings in prominent location adjoining the Kennet and Avon Canal and within a Conservation Area.

**Tewkesbury, Gloucestershire** - Strategic site promotion and residential application for 70 dwellings in sensitive landscape and close to the River Avon.

**Rural Development** – Range of planning applications including new all-weather gallop in the Cotswolds AONB; wedding venue accommodation; construction of an outdoor manège; relocation of a dog breeding kennels in the North Wessex Downs AONB; relocation of a nursery school.
